Licensee's

This license allows for two adults and their children under the age of 21. Each site includes the right to park one camping unit and two vehicles. Additional vehicles (storage or towing trailers) shall be placed in the storage area (See Office for further details). You may add additional immediate family adults to your license/contract for a fee of one-hundred dollars (\$100.00) per adult per season (examples Mother, Father, Daughter, Son-in-Law). This will give them same rights as you and no visitor registration requirements will be needed. This is an option, not a requirement. If this option is not chosen, then the normal visitor policy applies.

Liability

The Seasonal Camper agrees to hold harmless, to release from liability, and to waive all causes of action against Paradise Park, Inc., it's officers, directors, owners, stockholders, agents, employees, and staff for any personal injury or property damage related to occupancy and use of an RV site and the use and enjoyment of the common facilities, including both man-made and natural, at Paradise Camping Resort. This provision applies to the Seasonal Camper as well as to any family members occupying the RV site as identified below or for any visitors to same. See Insurance section of this contract for further obligations of the Seasonal Camper.

any and all fines, court costs and attorneys fees incurred by Paradise Camping Resort as a result of any legal action or fine levied against Paradise Camping Resort as a result of any law or code violation resulting from action(s) by any such Seasonal Camper.

Non-Assignability

This contract cannot be assigned by the Seasonal Camper to any other party. Paradise Camping Resort expressly reserves the exclusive right to assign the above RV site if a licensee vacates the site OR at the expiration or termination of this contract. No licensee may trade RV sites with another or move to another RV site without the express approval of Paradise Camping Resort. Such approval will be evidenced by the execution of a new contract. Neither does sale of your RV unit entitle the purchaser to use of your assigned site or to assume any interests under your contract.

Early Termination

If any person or entity makes a payment to Paradise Camping Resort to reserve/guarantee site availability, such payment shall be non-refundable and will be applied towards future amounts due and owing to Paradise Camping Resort. If the Seasonal Camper pays the seasonal rate and leaves the RV site before the end of the season they already paid for is over, no refund of any payment or deposit will be made and such amount shall be deemed as liquidated damages for the lost revenue to Paradise Camping Resort for that site for such seasonal site. The Seasonal Camper agrees to pay any outstanding fees or charges due Paradise Camping Resort. Paradise Camping Resort reserves the right to terminate this contract and with it the occupancy and use of the above RV site and the use and enjoyment of the common facilities at Paradise Camping Resort for violation of the terms of this contract and/or the rules and guidelines, for failure to timely make any required payments to Paradise Camping Resort, or when the conduct of the Seasonal Camper, their family members, or visitors, interfere with the enjoyment of Paradise Camping Resort by others. In the event such a termination occurs by management, no refund of any payment or deposit will be made and the Seasonal Camper must pay any outstanding fees or charges due Paradise Camping Resort.

Pump outs from your RV

Paradise Camping Resort assumes no responsibility for plugged tanks or sticking valves. Maintenance and lubrication of valves is the responsibility of the Seasonal Camper. Chemicals and rapid dissolving toilet tissue must be used. Please remember to leave a small amount of gray water. If there are any questions, contact the Office. If the Seasonal Camper is notified certain RV valves need repair, that RV will not be pumped until such repair is approved by the staff of Paradise Camping Resort. Such repairs are the sole obligation of the Seasonal Camper and not Paradise Camping Resort.

Site Alterations and Sheds

No site alterations such as bushes, trees, patio blocks, or other fixtures may be installed or placed on a site without the consent of Paradise Camping Resort management. Upon installation or placement on the site, such items shall be the property of Paradise Camping Resort and may not be removed. However, if a Seasonal Camper leaves Paradise Camping Resort or moves to another site, any decks (or other similar structures) must be removed and taken with said Camper, otherwise such decks (or other similar structures) will be disposed of as Paradise Camping Resort sees fit.

Sheds are not permitted on a site unless they are of the molded plastic style and secured by anchoring system similar to those of Decks. All propane or other fuel tanks must be secured. Paradise Camping Resort will publish shed regulations and guidelines in the spring of 2012 and all new sheds will have to adhere to those guidelines. All new sheds size and placement will need to be approved by management.

Decks

Decks are permitted with approval of the office and a signed deck building agreement. Each deck will need to be constructed per county building codes and a permit will need to be acquired. Please see office for all requirements and procedures. Please see the office before any plans are made for restrictions and requirements.

Sale of Camping Units

In the event that the Seasonal Camper puts his/her camping unit (i.e. trailer, motor-home, pop-up) up for sale, the Seasonal Camper must notify management and pay a listing fee of One Hundred and Fifty Dollars (\$150.) before the trailer may be marked as for sale in the park. Then "For Sale" signs are permitted on the camping unit. In the event that you desire your unit to be advertised and promoted please see the office for further details and the appropriate paperwork.

Upon the sale of the camping unit, the Seasonal Camper must give notice to Paradise Camping Resort as soon as practicable.

Upon termination of this Agreement, upon sale of the camping unit to another party, or before the Seasonal Camper removes his/her camping unit from Paradise Camping Resort, the Seasonal Camper must pay in full any outstanding amounts due Paradise Camping Resort,

Sale of the Seasonal Camper's camping unit does not entitle the purchaser the use of the Seasonal Camper's site nor does it impose any obligation to Paradise Camping Resort to contract with the purchaser for use of the Seasonal Camper's site or any other site. In order for the purchased camping unit to remain on the Paradise Camping Resort premises, the purchaser must enter into a new contract with Paradise Camping Resort or arrange for storage.

Seasonal Camping

The camping season will begin April 20th and end October 29th (weather permitting). The season includes all weekends, 3 holidays and 15 vacation days for a total of about 74 days. Extra days are charged \$15.00 per day. Check out time for a Seasonal Camper is 7:00 PM. Paradise Camping Resort reserves the right to temporarily restrict access to the Park and its sites for safety reasons and/or unforeseen circumstances or concerns. Paradise Camping Resort reserves the right to close down any portion (or the whole) of Paradise Camping Resort grounds for extenuating circumstances (i.e. tornado, flood, etc...) Seasonal Camper agrees that no refund shall be given for any lapse in access to the Park or any portion thereof.

Insurance and License Plates

All Seasonal Campers must maintain their own insurance for any and all damages to their property and equipment or personal injury to themselves, family, or guests while at Paradise Camping Resort. It is fully understood that Paradise Camping Resort is not responsible for my damage to the property of a Seasonal Camper and that Paradise Camping Resort is not responsible for any injuries to the Seasonal Camper or to any of the Seasonal Camper's family or guests. No contract will be execution will be considered by Paradise Camping Resort Inc. without a valid insurance certificate.

Upon the execution of this contract or otherwise at the request of Paradise Camping Resort, the Seasonal Camper must submit a current certificate of insurance to Paradise Camping Resort.

All camping units must be licensed as required by law, and license plates must be properly displayed and visible. All units are subject to inspection by the appropriate state or local authorities for compliance with licensure laws.

Damages and Surveillance

Seasonal Camper agrees to pay Paradise Camping Resort for all costs associated with repair or replacement of Park property damaged by the Seasonal Camper and/or their Guests.

Seasonal Camper agrees and acknowledges that the Park's grounds are treated as public for purposes of security surveillance and Campers have no reasonable expectation of privacy accordingly. Seasonal Camper acknowledges that security cameras are necessary to promote the safety of all Campers and Guests and hereby waive any and all objections to their use.

Electric Charges

All Seasonal Campers shall pay a \$35.00 meter rental charge before the beginning of their camping at Paradise Camping Resort. A Seasonal Camper shall not be allowed to begin camping until this fee is paid. The Seasonal Camper's electric meters will be read during the second week of the month. Bills based upon each month's reading are due and payable by

the 30th of that month. Each Seasonal Camper recognizes that it is their responsibility to contact Paradise Camping Resort to determine the amount owed for their respective use of electricity. The Seasonal Camper agrees that Paradise Camping Resort may submit bills to the Seasonal Camper as a courtesy, however, this in no way relieves the Seasonal Camper's obligation to make his/her required payment at the end of each month. The rate charged will not exceed the rate charged to Paradise Camping Resort by the electric utility company. If the Seasonal Camper's electric bill remains unpaid for two consecutive months, Paradise Camping Resort shall have the right to terminate electric service and the Seasonal Camper agrees to assume all responsibility for any resultant loss of perishable items. Electrical service will be reinstated after Seasonal Camper pays in full any outstanding amount due and owing in addition to a \$15.00 reconnection charge. Interest of 1.5% per month will be charged for late payments in addition to a \$5.00 late payment penalty. If a Seasonal Camper's Electric service is terminated at any time, Seasonal Camper agrees to pay Paradise Camping Resort a deposit of up to an amount representing the cumulative total amount billed for the two months prior to termination of the electric service as a condition to restore said electric service.

Payment by Credit Card

In an effort to assist the Seasonal Camper in paying his seasonal charges, Paradise Camping Resort will allow a Seasonal Camper to leave a credit card on file to pay or otherwise authorize credit card payments for those services as identified by the Seasonal Camper. More information on this service will be available at the Office.

Visitors

There will be a \$2.00 per person per day fee charged for all visitors 21 years of age and older. This is for the entire season and not just weekends. All visitors must stop and register in the Office with an adult. All visitors must check in prior to Office closing to be admitted to park. If the guest is not accompanied by an adult over 21, then the seasonal site adult must come to the Office to register the guest. It is the responsibility of the Seasonal Camper to inform their visitors of this policy. If they do not register at the Office, they may be asked to leave. We will automatically charge your account for your visitors rather than collect the fee from them. If you wish to prepay for your guests, this may be done by stopping in at the Office. If your guests are staying in your RV overnight, you will be only charged the visitor's fee of \$2.00 per person per day. If they put up a tent the charge is \$25.00 per night per tent. Guests must leave by 10:00 pm on Friday and Saturday and 5:00 pm on Sunday, except when attending a Paradise Camping Resort sponsored function, then the time is adjusted to one-half hour after the end of the function. Please inform your guests to leave their pets at home. No guest's pets will be allowed!

Tents

Screen/Seating Tents are allowed on your site and may be left up on a on-going basis with a maximum of one per site. Camping tents are allowed to be used by your children that are camping with you under the age of 21 but these tents need to be removed when not in use.

Pets

Paradise Camping Resort and the Seasonal Camper recognize that camping with their loved ones and pets is important. It is further recognized that pets within the camping resort should be properly cared for, properly contained, and should not interfere with the enjoyment of other campers. As such, Paradise Camping Resort and the Seasonal Camper agree to the following:

1. That all pets shall be registered by name of pet, name of owner, tag information, and general description with Paradise Camping Resort.
2. Paradise Camping Resort reserves the right to remove any pet for any reason and at any time; these reasons may include but are not limited to:
 - a. Pets that cause disturbances (such as by barking, snarling, growling, etc...)
 - b. Pets that invade the privacy of another camp site, flowerbeds, shrubs, yards, etc; and
 - c. Seasonal Camper fails to keep campgrounds clean of pet litter at any time. If a staff member witnesses or proves that you failed to pick up after your dog, then we will clean it up and fine you a minimum of \$25.00 for each occurrence.
3. That Seasonal Camper shall clean up after his/her pet(s) at all times throughout the park.
4. Pets shall not be left outside of the trailer on the campsites unless they are under supervision.
5. All other requirements for pets and pet owners as written in the 'Additional Guidelines' remain in full force and effect and are not limited by this section.
6. No Guest's Pets are allowed at any time!

Lifeguard

The Seasonal Camper acknowledges that there will be no lifeguard on duty. The Seasonal Camper is responsible for his/her family and guests around any pool, water, ponds or river at Paradise Camping Resort. Using the ponds or river will be done at your own risk. There is absolutely no

swimming in either fishing ponds. Swimming should be confined to the beach area only.

Camping Units

Any camping unit (i.e. RV) shall be owned by the camper. If such camping unit is not owned by the camper, camper shall provide to Paradise Camping Resort a signed affidavit from such owner of the camper giving express permission and acknowledging that Paradise Camping Resort has the right to hold their camper unit in storage until such time that the account has been paid in full. Camper shall provide the make or model or other description of the camping unit with any identifying numbers (vehicle identification number, license plate, etc.) at the end of this contract.

In the event that the Seasonal Camper has delinquent charges of \$500.00 or more, the Seasonal Camper grants Paradise Camping Resort a lien on the camping unit for the amount owed. In the event that the Seasonal Camper leaves his/her camping unit on the site after the close of the season without obtaining a renewal for the next season or arranging for storage, Paradise Camping Resort reserves the right to remove the camping unit from the site and place it in storage. The Seasonal Camper is liable for all storage fees. The Seasonal Camper grants Paradise Camping Resort a storage lien on the camping unit and appoints Paradise Camping Resort or its attorneys as his/her attorney to foreclose on such lien and/or to sell the camping unit after reasonable efforts are made to get the Seasonal Camper to remove the camping unit. The rights listed in these paragraphs shall in no way limit Paradise Camping Resort's right to pursue recovery of any owed arrearage or equitable relief through any other legal avenues of recovery.

Park Model Camping Units

Park Model Camping units are now allowed in Paradise Camping Resort. All Park Model Units need to be approved by Management. Special requirements and guidelines apply, please check with the office for more details.

However, in order to ensure the safety of all in the park, Paradise Camping Resort will publish Inflatable/Plastic Pool Regulations and Guidelines in the Spring of 2012. All Inflatable or Plastic pool use will be regulated by those guidelines. Anyone not adhering to those Regulations and Guidelines will not be allowed to fill a pool again.
